

GIVING TREE PROJECT 2023

Once again the Community Women's Club of Level Green in association with our local elementary and middle schools will be sponsoring "The Giving Tree Project" for 2023. It is our hope that during this holiday season the children will share the joy of giving to those less fortunate than us.

Children may donate new mittens, gloves, hats, scarves, UNDERGARMENTS AND SOCKS (which are especially needed) to decorate a designated tree in the school. Members of the Women's Club will collect the donated items and deliver them to Westmoreland community action for distribution to the children of families in need.

To insure prompt delivery of the items for the holiday season the project will begin Tuesday November 28th and it will end on Friday December 8th 2023.

Please contact me at 412 389-8170 if you have any questions or require additional information.

Warmest Holiday Wishes,

Amy Winchell
