

All Aboard! The Snowball Express Is Coming Soon!

Dear Parents,

The holidays are near...and, as a special service, your school is holding the Snowball Express Holiday Gift Shop! Children will have the opportunity to pick out their own inexpensive, high quality gifts for family and friends. The Snowball Express Holiday Gift Shop will be set up in the school soon and will be run by parent volunteers. Gifts range from 50¢ up to \$14.00, with most priced under \$3.00. Enclosed is a special budget envelope which will allow you and your child to decide together how much can be spent on each gift. The Snowball Express Holiday Gift Shop is designed to be a safe, child friendly environment where children can learn how to budget and spend wisely and will also get to experience "the joy of giving".

The back of this letter may include details including times, dates, and location.
